# Managing Director

**Are you interested in driving enterprise, innovation and growth in the Cumbrian economy? Could you Champion the economic interests of Cumbria locally, nationally and internationally? Do you have experience of leading economic strategies and initiatives?**

The Cumbria Local Enterprise Partnership (LEP) is looking for an experienced and inspirational individual with exceptional interpersonal and influencing skills to drive forward the economy and help realise the substantial potential of Cumbria. You will utilise your strategic leadership skills to support the implementation of the LEP Strategic Economic Plan (SEP), Growth Deal, European Structural & Investment Strategy (ESIF), core business plans and delivery of objectives to ensure the future success and sustainability of the LEP whilst making a positive difference to the Cumbrian economy.

Cumbria is the third fastest growing economy across the eleven LEP areas of the Northern Powerhouse [PWC/Demos inclusive growth index] and our Strategic Economic Plan has laid some solid foundations for growth. The LEP Managing Director will lead the development, adoption and delivery of a refreshed local industrial strategy, engaging, inspiring and empowering others, building on progress to date.

Cumbria is ideally placed geographically; our landscape offers the best of both worlds with the Lake District on your doorstep and major transportation routes north and south.

Salary: **£98,848-105,000**
